Code: **09118-02**

Price: **€5.24** Net

The MAGNETIC cable is an extremely practical gadget. Terminals are attached to the cable via a magnet. Thanks to this, there is no need to constantly insert the tip into the phone, and thus, the connector will not be exposed to rapid wear. The set includes three different plugs: micro USB, USB type C and Lightning (iPhone). In addition, the end of the cable lights up blue, which will help you find your phone in a dark room. The cable itself is coated with reinforced material and is about 1 m long. The cable is for charging only.
