VERA YOUNG

The premium soy candle by VERA YOUNG, is handmade from natural plant waxes. The fragrances used are created according to proprietary recipes specially developed for the Vera Young brand in Europe. The Black Pomegranate fragrance is a subtle blend of flowers and fruits with a noticeable leathery note. Juicy plum, intense pomegranate, romantic rose and delicate violet form a harmonious whole. In addition, sweet accents of vanilla and deep patchouli give this elegant composition a unique character. This unique scented candle will meet the expectations of even the most demanding lovers of aromatic sensations. Soy candles are a healthier and more environmentally friendly alternative to traditional paraffin candles. The absence of paraffin in the composition of VERA YOUNG candles is important because it means fewer toxins, better performance, a more environmentally friendly origin of the wax and a cleaner and more intense release of the fragrances. The burning time of the candle is approximately 70 hours*. The candle has a wooden wick, which burns more evenly, longer and creates a pleasant crackling effect and emits less soot and smoke than . Each candle is packaged in an elegant cardboard box and has a description on how to use it, so that everyone can enjoy this special gift for as long as possible. *The VERA YOUNG candles burn 20 hours longer than candles from other manufacturers with the same capacity. Ecological candle, safe for health, free of harmful substances. The wooden wick may vary in appearance depending on the type of production. Manufactured in the EU.
