

Headlamp with motion sensor DELHIO

Code: **29201-02**

Price: **€7.36** Net

DELHIO headlamp with motion sensor allows you to operate the light without touching the flashlight. It works in two modes: with a motion sensor or continuous light controlled by buttons. Three light intensities: strong, moderate and flashing adjust the lighting to your needs. Charging via a cable with a USB-C output, charging input secured with a rubber plug. Adjustable angle of inclination and a headband with adjustable tension ensure comfort of use. Ergonomic design guarantees wearing comfort.
